HANNAH: Hi, everyone! Hannah here with some news.

It's time for our crowdfunding campaign for season three! Is this a terrible time to be doing crowdfunding? Yes, probably. Are we going to do it anyway? Absolutely, because we have some awesome things in store for folks who support us like: early access to bonus episodes introducing some of our new characters, stickers of our new logo, a poster designed by the fabulous text artist Han Trenkle, a novella asking the question "what if our heroes were pulling off a heist in the Roaring Twenties?" and, if you're feeling really generous, a chance to get writing help or play D&D with me.

I just want to be clear about this crowdfunding campaign. We are raising money to pay our actors, our transcriptionist and our editor for their hard work and dedication, and they will all get paid whether or not we reach our goal. This crowdfund is just to offset costs, and to give you a chance to score some sick merch.

We will be running all through the month of June, with the last day being June 30<sup>th</sup>.

To support us go to [igg.me/at/innbetweens3](http://igg.me/at/innbetweens3), that's inn between, "s", number 3. And yes, there is a link in the show notes. Or you can go to our website: [thegoblinshead.com](http://thegoblinshead.com), or our twitter [@inn\\_between](https://twitter.com/inn_between), and follow the campaign from there! We'll also be posting casting announcements as we hit milestones on Twitter, so keep a weather eye open!

Anything you can contribute helps, and, if you can't support us monetarily, why not tell a friend about the show? What we appreciate most of all is that you are listening.

Now, to thank you for sitting through that announcement, presenting our season 2 blooper reel! Be advised, this does contain swears. Enjoy!

RILEY Cutting edge of the Wasteland, and the latest music!

HANNAH Let Kira get out the thought, she's gonna die!

KIRA (radio host voice)

We've got some *good* music for you today, brought to you by:  
The Bone King. No one has ever fought him.

(fumbling)

And lived to tell the tale.

MARQUIS And it's just...

(indistinguishable in the Bone King's breathy, scratchy voice).

Just that.

RILEY It's just the chronic whisperings, into a microphone, for *two hours!*

KIRA Brought to you by: The Bone King.

RILEY Mhmm.

AUSTIN (deep voice)

Brought to you by...

KIRA The Bone King, no one can fight the Bone King.

(HANNAH and WILLIAM laugh)

AUSTIN I, I, feel like that was a bit too, like, *sudden*.

HANNAH (laughing)

What was that?

AUSTIN Like. Like, ah, like you just stepped on a chihuahua or something.

HANNAH A chihuahua named Meltyre.

AUSTIN Can we get some dog fan art?

(WILLIAM laughs)

HANNAH Pfft, if someone else is gonna make it!

KALEIGH (indistinguishable, static voice and laughter)

AUSTIN Uh, that means, ah, someone's gotta put it in the blooper reel!

(More laughter).

BLOOPER 17 (7:16)

KIRA (as Velune)

We've been subtle, I'm sure we'll be fine.

HANNAH (they will not be fine)

RILEY Oh ho ho, oh *ho ho!*

AUSTIN Oh, don't tempt...

HANNAH Two... twelve?

WILLIAM 2.12!

RILEY It's a lil... like we've seen in The Wizard of Oz? In part of the song we'll be like...

(BIG evil laughter)

We're all, like, clapping, you know!

KIRA (high pitched singing)

That's how we spend our day away, in the merry ol' Fey Wild'o!

(Laughter)

BLOOPER 18 (7:36)

HANNAH (as Robin)

Well, it's been fun, but I can't stay and chat, even though I really ought to completely *destroy* you, wizard.
